Intro

Okay, let's be real. Is there anything more satisfying than biting into a hand-made, gourmet, carb-a-licious grilled cheese? We especially love our favorite cheesy-treat when it has a unique, tasty twist.

Get ready to celebrate National Grilled Cheese on April 12 by enjoying one of these cheesy delicacies from some of our favorite local eateries.

True North Tavern

If you're interested in a casual spot for a stellar grilled cheese sando, hit up True North. The restaurant offers a cheddar and mozzarella sandwich on a toasted egg bread, traditional style. No extremities are needed in this dish, although the side of tots are much appreciated.
